Electrolux

UltraActive Starter Kit USK 4 is conveniently sold together with new cleaner UltraActive. The kit aims at facilitating the maintenance of the cleaner. It includes motor filter, washable HEPA 12 filter, foam filter and a pack of s-fresh® lemon.

The starter kit is a part of the UltraActive point of sale concept and is attractively designed in the same layout as all the UltraActive point of sales material.

Content:

- 1 motor filter
- 1 washable HEPA 12 filter
- 1 washable foam filter
- 1 s-fresh® lemon scent

Attractive packaging in line with UltraActive point of sales material
